

for an excellent finish

## Discs: VC 152 VEL

Velour-backed, flexible and powerful aluminum oxide paper discs for general woodworking and metalworking

### Product benefits

- Low clogging behavior
- Very good finish quality as the perfect preparation for subsequent processing steps
- Flexible, adaptable paper backing
- Excellent price-performance ratio

### Applications

#### Wood working:

- Initial, intermediate and fine sanding of wood in preparation for staining and lacquering

#### Metal working:

- Grinding of metal workpieces to improve subsequent joining processes (welding, soldering, etc.)

### Product design
